

**PROGRAMME FOR THE INTERNATIONAL CONFERENCE ON
Construction Digitalization for Sustainable Development (CSD2020)
Transforming through Innovation**

DAY 1: PLENARY SESSION

Time: 14:00 – 18:35, Tuesday, 24th November 2020 (GMT +7)

Venue: Conference Hall, 2nd-floor G3 Building, National University of Civil Engineering
55 Giai Phong Road, Hanoi, Vietnam

	Time	Activities	
	14:00 – 14:30	Registration	
OPENING	14:30 - 14:35	Opening speech	Professor Pham Duy Hoa Rector of the National University of Civil Engineering
	14:35 - 14:45	Speech	Dr Le Van Cu Deputy Head of the Vietnam BIM Steering Committee
	14:45 – 14:50	Speech	Ms Donna McGowan British Council Country Director
	14:50 - 15:00	Speech by a representative of the international partners	Dr. Eric Lou Reader, Manchester Metropolitan University, United Kingdom
	15:00 - 15:20	Platinum Sponsor's Speech <i>What keeps a Smart City "Smart"? Exploring the evolutionary engine of a city through a historical context</i>	Mr. Nguyen Bao Lam CEO of Ecotek
	15:20 - 15:30	Sponsorship Appreciation	Organising Committee
	15:30 - 15:40	Pictures	Honored Guests, Sponsors, Organising Committee, Authors of Conference Papers
	KEYNOTE SPEECHES	15:40 - 16:10	Keynote speech 1: <i>Smart prefabrication technologies using digital engineering models</i>
16:10 - 16:40		Keynote speech 2: <i>Smart Construction based on computer Vision and IoT</i>	Prof. Heng Li Chair Professor of Construction Informatics, The Hong Kong Polytechnic University
16:40 - 17:00		Tea-break	
17:00 - 17:30		Keynote speech 3: <i>Current state-of-the-art and practice in construction robotics in the USA</i>	Prof. Mirosław J. Skibniewski Editor-in-Chief of Automation in Construction Department of Civil and Environmental Engineering, University of Maryland, USA
17:30 - 18:00		Keynote speech 4: <i>Integrating BIM into Civil Engineering Education</i>	Prof. Shang-Hsien Hsieh Dept. of Civil Engineering, National Taiwan University
18:00 - 18:30		Keynote speech 5: <i>Human resources training for the preparation of construction digitalisation in Vietnam</i>	Vietnam BIM Academic Forum Assoc. Prof. The-Quan Nguyen National University of Civil Engineering, Vietnam Dr. Ngoc-Binh Ta Institute of Construction Economics, Ministry of Construction
18:30 - 18:35		Closing
